

Just steps from the Alamo, one of the most pivotal battles in American history is coming to life...

Live the story of the Alamo. Battle for Texas The Experience is an interactive historical adventure that transports visitors back to the 1836 epic battle at the Alamo. Visitors immerse themselves in Texas history as they learn the stories behind the never-before-seen collection of over 250 artifacts. Meet the heroes Davy Crockett, William Travis, and James Bowie. Design your own flag and claim your land. Load cannons into firing position as you prepare to enter the Gauntlet. Honor the brave defenders as their names are called one by one. Celebrate the Lone Star State and weave yourself into the fabric of Texas.
